

4" x 9" Rack Card (with bleed and safety)

If your final product requires printing to the edge after trimming, you **must** extend your artwork to the **red** boundary box for proper bleed. Anything in the **red** shaded area will be trimmed off.

Your text should be 1/8" inside the **cut line** on each side, represented by the **blue** safety box.

bleed →

Artwork that reaches the cutline needs to extend to the edge of the **red** line.
